

LAS VEGAS ROTARY VICTIMS SERVICES FUND

The Rotary Club of Las Vegas is deeply saddened by the horrific and senseless events that occurred the night of Sunday, October 1, 2017 in our community. Our city is heartbroken over these tragic events. While Las Vegas is fortunate to have experienced a heartfelt outpouring of immediate support, we know that there is a long recovery ahead for the victims and families of this massacre – and a wide variety of needs.

We have reached out to our community partners to determine how we can best focus our support of the victims and their families. Those inquiries identified an important and underserved need. With this in mind, the Rotary Club of Las Vegas established a financial hardship fund to help offset both the funeral costs of the victims and the costs for families traveling to Las Vegas to escort both the surviving victims and those who will be laid to rest elsewhere back home. Additional funds will be used to help offset medical expenses for survivors and their families.

Our club is working with Rotarian members in the community to ensure the proper stewarding of all donated funds. Funds will be available for immediate disbursement. The Rotary Club of Las Vegas will absorb all fees related to this account and will not charge any administrative overhead. This fund will be held by the Las Vegas Rotary Foundation, Inc. a 501(c)3 organization.
