**THANK YOU!**

District 5300

**You can be part of our District Recognitions!**

The purpose of the district conference is to provide opportunities for networking, inspirational addresses, and discussions of Rotary-related matters. The event recognizes the service programs, projects, and public relations achievements in the district. More importantly, it recognizes the hard work of over 2,200 Rotarians from Southern Nevada and Southern California.

The Rotarians in District 5300 are business and professional leaders united to provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. We work on the most critical issues in our local communities and throughout the world. Projects focus on the eradication of polio through Rotary’s “End Polio Now” campaign, children at risk, poverty, hunger, illiteracy, violence, drug awareness, health and sanitation, water, and vocational and career development. We are a non-religious, non-political organization, open to all cultures, races, and creeds.

Our year end District Conference is a chance for us to recognize these efforts, bond in fellowship, and re-energize so we can begin again the following year. Our inspiration comes from our collaborations with others.

We invite you to help us show the Rotarians in District 5300 how much we appreciate their selfless service and congratulate them on well-earned accomplishments.

Every penny counts and there is no “thank you gift” too big nor too small. To learn more about our district, visit us at [www.district5300.org](http://www.district5300.org) ~ or better yet, join us at any one of our clubs. The coffee will be hot and you will be amongst friends.
