

# PRESIDENTS

*Advance Jan 17-19, 2025*

## SHARE SUCCESSES PLAN YOUR TRANSITION INSPIRE YOUR CLASSMATES

### *Share Successes*

In small group discussions and breakouts you will share your club and leadership success stories. You will also have a chance to find new solutions to challenges you might be facing in membership, foundation, and public image.

### *Plan your Transition*

Engage with Rotary Leadership (at all levels) to create a smooth transition, club succession plan, and program sustainability for your club.

### *Inspire classmates & Be Inspired*

You are the program. Ideas, plans, solutions, and inspiration all come from you and your classmates.

Network with World Class Speakers to be inspired as you continue to keep the Promise of Rotary.
