ENHANCING THE CLUB EXPERIENCE: MEMBER SATISFACTION SURVEY

The experience your club offers people affects how they feel about the club. By asking members for feedback regularly and then responding to it, you're showing your openness to change and empowering them to help create their ideal club experience. The Member Satisfaction Survey can help you gather feedback so you can use it to ensure that members are enjoying their experience.

WHAT YOU'LL GAIN

Conduct this assessment and act on its results to:

- · Identify what your members like and dislike about their club experience
- Develop an action plan that builds on what people enjoy and that ends or changes what they don't

GETTING ORGANIZED

You'll need a dedicated group of people to conduct the Member Satisfaction Survey. It can be your club's membership committee or a few interested volunteers. You can devote time during a club meeting to discuss how satisfied people are and have them take the survey. You could also hand out the survey or email it to members so they can have more time to complete it. Or you could hold a special meeting devoted to member satisfaction. Make it fun and use some of the time to have members take the survey.

Emphasize to those administering the survey the importance of keeping the responses confidential when they discuss and analyze them. Be sure to tell members this will happen.

Consider using an online survey platform. They're convenient, often free or inexpensive, and helpful in managing the response data.

Be sure to allow enough time when you're planning the schedule. Each step can take a week or longer.

GETTING STARTED

Step 1: Customize the survey.

Use the sample questions below to develop your club's Member Satisfaction Survey.

Step 2: Distribute the survey.

Distribute the survey to people or use an online survey platform. Explain that their responses are confidential and will be used to enhance the club experience for both current and prospective members.

Step 3: Analyze the data.

Have the group you organized to administer the survey review the results. Remind people about the importance of confidentiality and respecting all viewpoints.

Step 4: Share the results and make an action plan.

Present the survey results to the club and discuss them. Allow time for members to ask questions and offer ideas for addressing the survey findings. Develop a member engagement action plan and set a time frame for making changes.

Step 5: Take action.

The final step is to implement the action plan. Talk to members and involve as many of them as you can in the process so that they're invested in making the club experience better for everyone.
